39 The Committee to prepare the sum of money to be raised the ensuing year &c., made the following report which was approved by the Meeting, and the subordinate Meetings were directed to raise their quotas therein named, and pay them to the Treasurer. The Committee appointed to examine the Treasurer's account, and to report the sum necessary to be raised the ensuing year, recommended that twelve hundred dollars be raised.

They have examined the Treasurer's account, and find it correct, there being a balance in his hands of \$1,645.00. They have also examined the account of the David P. May bequest, and find that the Treasurer has paid to the Educational Committee the sum of \$273.75, the amount of accrued interest thereon to date.

The Committee also report that the sum of \$109.58 has been paid to the Treasurer on account of the Permanent Educational Fund of Baltimore Yearly Meeting of Friends.
