

Medoc Indians. Also a donation of \$10 to the McAll Mission, in Paris, from Federal Hill Monthly Meeting.

In conclusion, the Committee would ask for the continued support and interest of Friends in the work. The call of the Lord is sounding ever more loudly through ever widening openings in those fields where we as a Yearly Meeting are working, and we feel assured that with the open door the Lord will grant us ability to enter into it if we are faithful in our consecration of all that we have and are to His service.

We would ask that the Yearly Meeting recommend the Monthly Meetings to appoint Committees to cooperate with the members of the Yearly Meeting's Committee in each particular meeting, and that they organize for work in every place.
