And all keeps your meetings in the power of the Lord God & hath gathered you & now
gives you the spirit of discipline & godly fear & godly love in private &
public, but not in mouth of words & such things as I have now & see in many of you
but all to be valued for the Lord's truth upon earth. Conforming your works
meetings in order of families to be concerned & minded to
& love of truth & walk in it if they may come up into god's favour & they may be
blessed in their generations in the obedience of the Lord & his religion
have received from God from above to every one may know their duty in the
in the power & wisdom of God for now the practiced part is called for & people must not
all waste talking & hearing but they must come now into obedience to the Lord's power
of the great God

And if none may out of the vineyard of the Lord out of fruit & out of the duty for such
will talk & talk & judge & think of to they in the vineyard say & do & think
the power of God must be in all, into the duty into the fruit into the pleasure
in virtue & righteousness & into the wisdom & power of God for all to be of the duty
of this & their fruit though they have the knowledge of it yet are not fruitful
in the obedience nor in the generation & the power of God must be over all & in all
all must be acted & in the true obedience is known

& therefore I have up your young women to know the duty in this thing & all may
in their service & place for all Bishops & all are to do in the power & wisdom of God
I am kept open to the Lord to receive of his gifts & grace & of his light
through the word & to my mind to a new & all keeping in it then I have
none to let nor to let it flowing but through it & all walked as a garden of
by the way as I have now do. & for all to be faithful & diligent in the Lord's service
all may come to found it, & for make all of the Lord's women & I have now
to this & when I have them together I have this amongst them

not more but my love G.F.
