From our Yearly Meeting held at West River
The 27th day of the 3rd mo. 1713.

This Meeting being informed that God's Truth & our holy profession of it, has lately been brought under great scandal and reproach by the unfaithful walkings of some that have made a profession thereof us. been reputed of our Society and joined themselves together in Marriage among friends who having indulged a worldly spirit, before their said Marriages withdrew themselves into disregard of the honourable & chaste of their intended Marriages. Inasmuch that they have since had Children before the accomplishment of the due time after their said Marriages, which hath given great occasion to the Enemies of Truth to bespatter & reproach our holy profession, and this meeting being under a sorrowful something have therefore thought it their duty for the clearing & vindicating of God's Truth and our profession of the same of all such intemperate and unclean spirits and that Truth's testimony may be set on such transgressors, hereby declare that such doings are inconsistent to the faithful friends thereof, and do utterly disown all such intemperance and can't have unity with such persons as have or may be acted thereby, until they come to know a godly sorrow for their so doing accompanied with sincere and hearty repentance and evidence the same by giving truth & satisfaction as they for their thereof may require.
