her District dated the
of Friends Concurrent
this Meeting and
her Company and
been truly acceptable

The Friends appointed last year to send copies of the
Philadelphia Yearly Meeting to the several Quarterly meetings
have complied with that service we then adjourned to
the 10th hour to morrow morning

The 11th of the 6th mo. near the time appointed Friends
assembled Representatives being called were all present
The Queries being revised by our many friends they laid before this meeting their proposed alterations, with the
addition of four Annual Queries, which being read &
Deliberately Considered this meeting unites therewith
The Clerk of this Meeting requesting to be released from
acting in that Station which this meeting having under
consideration and concludes to refer it to the consideration
of next yearly meeting we then adjourned to the 4th
hour this afternoon

Consequent to adjournment Friends again assembled the
Representatives being called all appeared

A concern arising in our select meeting respecting
the times of the sittings of the yearly meeting in future
they agreed to propose the times which have appeared to
their views as follows viz, that a select meeting be held
on seventh day to begin at the Eleventh hour and the
Publick meeting for worship to begin on First Day
following at the 10th hour and an afternoon meeting on
the same day to begin at the 4th hour also a Meeting for
worship to be held on second day to begin at the 10th hour
at the close of which the meeting for business is—

before this meeting their proposed alterations, with the
addition of four Annual Queries, which being read &
Deliberately Considered this meeting unites therewith
