

from our pure^d Principle in Plainness of
speech behaviour and apparel it is the sense
of the Body that Parents endeavour to Witney
redemption from the Love of the World which
will strengthen their hands in duly restrain-
ing their children from the ~~the~~ Polluting
Customs and fashions thereof practising the
reading of the Scriptures in their families
and exempling them in Silence and in humble
waiting upon their divine Teacher and

And it is further Recommended for
a Close exercise that has attended us under
an apprehension that there is a breach
of our testimony with respect to an hireling
ministry by our members running after
the "So heres" and the "Da theres" and forsaking
the fountain of Living Waters in themselves
that parents and children keep from the gathering
of other societies in their Worship Houses or in any way
confirming their belief the call is yet extended
but have out from among them and be ye separated

An Exciting concern being ¹³ just on account of the black
people who may have been heretofore considered
As children of the bondwomen that we with our offspring
May be found clear in the discharge of duty towards
them that none may hold themselves clear of the
guilt of oppression under any false covering
Whatsoever remembering this that if the Wife be
firm in the belief that Justice is due to all men
they may be instrumental in the divine Hands to
convince the unbelieving Husbands without which we
cannot stand clear nor be enabled to give up our
accounts with Joy - And it is earnestly proposed
that all who have them under their care may instruct
them in useful Learning - It is further recommended
that friends labour after a united concern to put the
discipline in practice in the authority of the North that
any suffering unnecessary delays to take place in their
own time disorderly persons as soon to find
with any outward marks of Reconciliation - and
that there may be a care to preserve Records
