Morning

29 of the Month and third of the week — pursuant to adjournment Friends assembled

The Meeting entered upon the state of Society and having proceeded through the Queries and their respective answers from our Quarters the subjoined summaries were adopted

During the consideration of the important subjects thus brought into view many minds were dipped into exercise on account of the deficiencies apparent amongst us under the influence of which all classes were feelingly addressed. Those who desire the prosperity of Zion to their chiefest joy, and who are often ready to exclaim with the Prophet Oh that mine head were as waters and mine eyes as a fountain of tears. That I might weep day and night for the slain of the daughters of my people were encouraged to rely on the Holy aid of him who alone can strengthen to suffer and to endure to travail and to labour in that cause which is dignified with immortality and crowned with eternal life.

The beloved Youth were affectionately entreated to watch the visitations of Divine Love and yield their hearts to its influence by which they will know an ~~increase~~ increase of strength and become more than conquerors through Him that loved them — An earnest solicitude was felt that those who have the charge of this interesting portion of Society may abide faithful^{ly} in their respective allotments
