

23 of the month and 5th of the week.

Near the time appointed friends assembled Epistles to Ohio, London, New England, Indiana and North Carolina were produced by the committee, which being read and united with, the clerk is directed to sign them with those approved at a former sitting.

The clerk is directed to forward to the Quarterly meetings the Epistles which have been read at this time.

Representatives being called, are present as at the first sitting. Except one who is prevented by indisposition.

Having gone thro' the business of the meeting we have thankfully to acknowledge that during the sittings thereof we have experienced somewhat of that anointing which cements the children of the household of faith and qualifies them to labor together in the work of the Lord. We conclude and bid one another an affectionate farewell.
