To the Yearly Meeting now sitting

The committee appointed last year to
extend as way may open for it, advice &
assistance to the half year meeting of 92
or to any other of our subordinate
meetings report that four of our number
attended the ^{half year} meeting held at Black Creek
in the 6th mo last, also the lower monthly
meeting, and most of the particular meetings
constituting it, and in the present month

Two of our number attended that meeting
held in Richmond, also two of the particular
meetings belonging to Cedar Creek Monthly
Meeting. Those meetings were held to a
good degree of satisfaction & the committee
rendered them such advice & assistance
as circumstances seemed to require and
ability was received to impart. And we trust
there is an increasing concern resting on the
minds of many of our members for the
right ordering of the affairs of the Church.
The committee after mature deliberation
in relation to the weighty objects of their
appointment feel willing to submit to
the consideration of the Yearly Meeting
the propriety of continuing the committee
for further service.

Signed on behalf of the committee

John Scott Dorothy Hopkins
Joseph King Jr. Sarah Sands.

Adjourned to the same time next
