

That a part of our number attended the Half Year's Meeting of Virginia held at Black Creek in fifth month last to a good degree of satisfaction and extended such advice and assistance as circumstances seemed to require.

The Meeting on first day of the Half Year's Meeting is very largely attended by those not of our society and the Committee was impressed with the weight of responsibility which rests upon our Friends there upon such occasions, believing that they claim the sympathy and, as far as it can be given, the assistance of their Friends. On behalf of the Committee.
