Eleventh Summary.

No meetings have been established, but
 a meeting has been held on First day
 morning by members of Baltimore Monthly
 Meeting.

Twelfth Summary.

Most friends are careful to place their
 children for tuition, under the care of
 suitable teachers in membership with
 us. Baltimore Monthly Meeting reports
 that a school has been established
 under its care, and within the limits
 of that Monthly Meeting.

Epistles addressed to our sisters of
 New York and Western Yearly Meetings
 were produced by the Epistle Committee
 read and approved by the Meeting.

Then adjourned to meet at 10 o'clock to-
 morrow morning in joint session with
 Men Friends.

20th. of the month & 4th. of the week.

The Meeting convened in joint session
 according to adjournment. The London
 General Epistle was read to our comfort
 and edification. The usual number of
 copies were ordered to be printed.

The Committee on General Meetings made
 the following Report, which was accepted
 by the meeting. The Committee was
 continued with the addition to it of
 the name of Deborah C. Thomas. —

A General Meeting was held at Steer
 Creek in 11th. month last; also one in
 Charles County, at Patuxent Meeting; &
 one in Richmond in the 3rd. month,
 also one in Baltimore. All of them were
 held to satisfaction, having been as we
 believe, owned and blessed of the Lord.
 We have no doubt that a benefit would
 result from continuing to hold such
 meetings within our limits. John B. Crenshaw
