Mothers were urged to bring their children to meeting, and it was felt to be the duty of the Church to remember them particularly in prayer and to have a lively concern that they might be fed and instructed in our meetings for worship. The Committee on Endorsements presented one which was approved, and the Clerk

directed to sign one for each Friend in attendance. Elizabeth V. King's name was added to the Epistle Committee. Then adjourned till 10 o'clock tomorrow morning in joint session.

11th of the Month and 3rd of the Week - According to adjournment the Meeting assembled in joint session. The London General Epistle was read and in order that its valuable teaching and counsel may be availed of by our absent members and others to confirm and strengthen their faith in the truths of the Gospel John R. Cary and James Carey Jr. were appointed to have 800 copies reprinted for distribution.
