

an interesting account of Friends in Oregon.

The following Minute of the Meeting on Ministry and Oversight was read, and directed to be read in the Subordinate Meetings on Ministry and Oversight.

In the Consideration of the Queries, the Meeting was led to consider the importance of our Meetings for Worship as a witness to the power of the Lord. They form a test of our individual Spiritual Condition.

We wait on the Lord not only for the refreshment of our own Souls, but for the Word of Command, and for power to perform the service required of us. As we submit ourselves to the Lord's Call, we can also pray for more laborers to be sent into the harvest.

In our Christian Service, let us go forth in the Spirit of Hope, believing that the Lord's power is Equal to Every Emergency. Let us trust as well as obey.

True unity in feeling and in Service comes from loving the Lord with all our hearts, and loving one another.

When each one is in his own place, the

work will go harmoniously forward; when anyone falls out of his true position, the whole work is marred.

We may not limit the Lord's power to us, nor presume to determine for ourselves the nature of His requiring, saying this cannot be my duty. Let us be willing and obedient. May all our Service be guided and owned of the Lord, and the year now before us will be a year of great fruitfulness & blessing.
