Epistles were read from London, Dublin, New York, North Carolina, New England, Kansas, Western Indiana. The Epistles have been very interesting and stimulating to us, referring as they do to the various branches of the work of the Church. We have noticed with interest the emphasis which some of the Epistles have given to the importance of our members, and those who join with us, being instructed in the principles of our Society, which we believe to be truly in accordance with the gospel of our Lord and Saviour Jesus Christ.

The following named Friends were appointed to unite in preparing Epistles to be sent to the Meetings with which we correspond, also one to the children.
