

ing the 1st session separately. It was referred to the Men's Meeting.

Men Friends informed this meeting that as we are an incorporated body, there is a legal question, which renders it necessary that we meet in joint session.

Then adjourned to meet in joint session to-morrow morning at 11 o'clock.

Fifth day morning - 11th mo. - 15th

At the hour adjourned to, Friends assembled for Divine worship.

The Minute prepared by the Meeting on Ministry and Oversight of the exercises of this meeting was read. The Yearly Meeting directed that it be printed separately and sent to the Monthly Meetings, with directions to have it read at the close of a First-day morning meeting.

The subject of holding the first session of the Yearly Meeting next year, in separate session, was again brought before this meeting and it was decided to meet in joint session until the representative should be called, and then if it seems best, separate, and continue the business in separate session.

Under a deep feeling of praise and thanksgiving to our Heavenly Father, that He has answered our prayers and been pleased to manifest by His Holy Spirit His presence amongst us, from day to day, we adjourn to meet again next year, at 3 o'clock, in joint session, if the Lord permit.
