The Quizzes were read in this meeting, and the answers received from the quarterly meetings from which the following summary answers were collected as nearly representing the present state of this meeting.

First - Ministers & Elders when of ability, appear to be generally diligent in the attendance of meetings for worship & discipline & we believe they encourage

them familiar to that religious duty.

Second - We believe Ministers in the exercise of their gifts are careful to wait for divine attestation.

Third - Ministers and Elders are in unity one with another and with the meetings to which they belong manifesting a religious concern for the advancement of truth & the support of our Discipline.

Fourth - We believe Ministers & Elders are exemplary in uprightness, temperance and moderation and that they are concerned to endeavour to educate their families in plainness of dress & simplicity of manners becoming our religious profession.

No further business appearing to engage our consideration the meeting concluded under feelings of thankfulness for the ^{little} degree of strength which has been mercifully vouchsafed to us on the present occasion - to meet at the usual time next year if the Lord permit.
