

To educate these farmers in planning of crops and
simplicity of measures becoming our slogan for
efficiency.

Under a covering of precious solemnity and with
hearts ~~and~~ trust reverently thankful for the continued
evidence of the regard of the blessed Lord of the Church
extended to us on the present occasion, the meeting
concluded - to meet at the usual time next year
if the Lord permit -

 mund Bates and Clara from the Western Monthly
 meeting, Indiana; One for Eli ^{my dear} Gause from the Western
 Monthly meeting, Indiana; which were read and with
 their company was acceptable. The Clerk is directed
 to forward them to the Yearly meeting.

Our beloved friend John Peace who attended this meeting last year with certificates from his monthly & quarterly meetings & the yearly meeting of Worcester & Elders both in London, being now present, informed us that from his present feelings it appeared likely his services were nearly brought to a close within our limits. His ^{the benefit} encouraging & gospel labours which during his residence in and within of the yearly meeting having been to our satisfaction & edification, the following named persons are appointed to prepare & produce to a future
