

Dear Friends,

Our beloved friend William Green attended this meeting last year and produced certificates of unity and communion from you in his prospect of paying a religious visit to Friends on this continent. The remembrance at this time of his faithful and acceptable gospel services of his solid and exemplary deportment, and of the seasons of Divine favor of which we were wonderful partakers with him both in this and some of our subordinate meetings, is precious to us. His ministry was sound and edifying and we have full unity and satisfaction therewith.

With the salutation of love we remain your friends. Signed by direction and on behalf of Baltimore Yearly Meeting of Ministers & Elders the 17th and 22nd of the 10th month 1874. John Scott Clerk

Having realized the presence of our loving Lord to be with us baptizing us by the Holy Spirit into oneness of feeling under this precious covering the meeting concludes to meet next year at the usual time if the Lord permit.
