Dear Friends

We desire to call the attention of your members to the
change made by our discipline in the constitution & duties

of the meetings on Ministry & Oversight, as now organized
they consist of the ministers & Elders & Overseers of the Monthly

meetings who are to answer the queries addressed to them and
we authorized to invite to their meetings from time to time

other friends, that in their judgement may be likely
to receive help thereby, though such are not to be con-

sidered as members of the meeting on Ministry & Oversight,
They are also to take into prayerful consideration of meetings

& members, The pastoral care thus provided supplies a need that
has been much felt amongst us, and it is our earnest desire

that your meeting may be strengthened to consider the best
means of extending to all the loving care & sympathy of the

church, In this way you be able to bring to your aid those
whose hearts the Lord has prepared for the service whilst,

you yourselves are also diligent in caring for & feeding the
flock, we have desired that our regular meetings on Ministry

& Oversight should endeavor to enter into a lively exercise of
prayer before the Lord on behalf of our meetings & members,

we should be very diligent in waiting upon the Lord for ability
to speak to the people, to the honor & praise of our God,

Let us unite in asking him to bestow upon our church a
living ministry and let us dear friends individually
