

1885. 16

Report
of
Committee
on
John &
Sarah W.
Newlon's
Concern

in reference to their prospect of religious service in England and elsewhere submitted the following report. viz.
We the Committee appointed to confer with our dear friends John Newlon and Sarah W. Newlon in reference to their prospect of religious service in England and elsewhere, found on conferring with them that they would feel easy to have the minute which was presented to this meeting so changed as to omit Palestine and the Continent of Europe except Norway and Sweden. Your Committee were united in feeling that they could not throw anything in the way of the concern.

On behalf of the Committee

James Coney

Mary S. Edge

it was agreed that

They
are
liberated
for the
service.
which was united with, and they should
be liberated for the service, much
sympathy being expressed with them
in their concern.

17 1885
