The presence of these dear friends, and of our friend Ruth S. Murray, of New England, who is present without a minute was very acceptable to us, and the clerk was directed to forward their credentials to the Year Meeting.

The Queries were read with the answers from the subordinate Meetings, and the following summary answers were adopted as representing the present state of this meeting:—

Answer 1st: We are diligent in the attendance of our Meetings for worship and discipline, and we encourage our families to that religious duty:

Answer 2nd. We believe that in the exercise of our gifts we are careful to wait for and to act under the ability that God giveth, and that we are sound in the doctrines of the Christian religion:

Answer 3rd. We are in unity one with another and with the meetings to which we belong, manifesting a religious concern for the advancement of truth and the support of our discipline;—except that one report says: "With one or two exceptions"; and another says: "In most respects";

Answer 4th; We endeavor to be good examples in uprightness, temperance and moderation, and to educate our families
