to the consent of the Yearly Meeting, to arrange for such of their members as may wish to visit the meetings and meetings for the objects named in the report, and report to this meeting next year.

The Clerk was directed to lay the proposition before the Yearly Meeting for its judgment, and to ask that if it be approved, the Yearly Meeting will arrange for its expenses.

To the Yearly Meeting on Ministry & Oversight:
The Committee appointed at a former meeting for that purpose propose the names of the following Friends to visit the subordinate meetings on M. & O., and as they open, the individual members of these meetings — with the object of encouraging and helping them in carrying out the duties devolving upon them under the new Discipline. The Committee is encouraged to render such other religious service as the Lord may direct in such locality where they may visit.

On behalf of the Committee. Jas. Carey Jr.
Balti. 11 Nov. 1901.

The following Executive Committee was appointed to prepare if way opens for it, returning minutes for our friends Harriett Green, of England, and her companion, Sophia M. Fry when their service within our limits is completed: — James Carey Jr., Anna B. Thomas, and Jane E. White, and the Clerk was authorized to sign it on our behalf and report to our next meeting.

We have at this time been brought into deep concern for our meeting and members, that we may all learn the blessing and power of self-sacrifice for Jesus' sake, and that we may arise in the power of the Lord, and go forward in his service. In all our efforts let us remember that our strength is not in our methods or arrangements in themselves, valuable as they may be, but in the actual presence of Christ with us through the Spirit. Our own hewed out cisterns break and fail. Christ is the fountain of living waters.

Then adjourned to meet at the usual time and place if the Lord will.

Rich. H. Carey Thomas
Clerk
