

The Clerks read the proposed ^{report} for the yearly Meeting on the condition & work of the Ministry & of our membership with some alterations it was approved and directed to be sent to the yearly Meeting. it is as follows.

REPORT OF THE YEARLY MEETING ON MINISTRY AND OVERSIGHT TO THE YEARLY MEETING.

In reporting the condition and work of the Ministry and of our membership, we do not feel as if we had anything new or important to report. We believe our ministers have a prayerful concern to meet the needs of the Meeting in which they live, and we desire that a real concern for the salvation of souls may be felt by them, that we as a Church may reach out to the needy world around us, and gather many into the Redeemer's kingdom. Many of our elders have a real concern for the building up of the Church; may their numbers increase until those Meetings which are weak amongst us feel the nursing care and take on new hope. We desire that all gifts, however small they may seem, especially those in our younger people, should be encouraged, and that the fostering care of the Church be apparent in all our Meetings. May the overseers more and more exercise a shepherd's care over the careless and indifferent amongst us. A little personal interest manifested towards such has often been the turning point in their lives.

Then concluded to meet at the usual time next year if the Lord permit
