

Dunnings
Creek.

In 9th. mo. Julia Valentine, Clarissa F. Davis, and Dr. R. H. Thomas visited Dunnings Creek, and attended the 4th. mo. mtg held there. Rufus P. King and wife, and Anna Mary Richardson of England also attended the meeting. The new meeting house, which had only been completed the day before, was opened on 7th. day evening for the first meeting, which was large & solemn. Three large mtgs. were held the next, and the interest increased & deepened. Besides the regular meetings for worship and discipline on 2nd. day, there was an appointed meeting in the evening. At the close of the meeting on this & on the preceding evenings, opportunity was given for any who wished, to remain for conversation & prayer. It was felt that special blessing rested upon these occasions, & it is thankfully believed that a number received definite blessing - some in conversion, and some in renewed consecration to the Lord.

Then adjourned to first 2nd. day in 11th. mo.
