

At a meeting of the Pastoral Committee held 3rd mo. 10th 1884 present Chairman and fifteen members -

Balt. James Carey reported on behalf of the Sub-Committee on family visits that there had been many during the last month.

The attendance of meetings was discussed, especially of the younger members at the First Day evening meetings - Dr J.C. Thomas suggested the need of a series of meetings during this month - both subjects were referred to the serious consideration of the members of the Committee.

Edina The following report was read: The meetings have been more than usually blessed during the last month. A series of meetings was held for a week for the members themselves since which there has been more earnest work for outsiders, resulting in several professed conversions. A meeting has been held for the explanation of Friends views especially on the subject of worship addressed by Dr J.C. Thomas which was helpful to many - The average attendance of

at the meetings for worship has been forty one First Day morning. Forty seven First Day night and thirty one Sabbath Day night; and an average of eight teachers and one hundred and twenty scholars at the Morning First Day School.

Washington Dr R.H. Thomas and John R. Gay visited this meeting 2nd mo 24. which was quite satisfactory. about forty persons were present. - The Bible Class with ten to twelve attenders needs a good leader. Sandy Spring no report. Heavy weather preventing visits to this place.

Deer Creek Recording Secy stated that Ed. Scott had written him that nothing had been done towards the formation of a Cooperating Committee among the members of that mo. meeting.

London no report. request that visits of friends be delayed until roads are in better condition.

Hopewell no report.

Black Creek Information was recd from John Petho saying that they had formed a Cooperating Committee and have visited nearly all the families.

Somerton A concern was expressed for this meeting and the Cor. Secy was directed to write to
