At the request of the Treasurer for the appointment of a Committee to audit his Account for the past year, we appoint Benj. P. Moore and Joseph P. Elliott to attend to the service and report to next Meeting.

The Condition of the Several Meetings was then Considered:

Baltimore - The Meetings have been quite well attended and a satisfactory degree of interest has been manifested. It was suggested that a Series of Meetings be held on or about the third week in next month, the matter was considered and referred to an adjourned meeting of this Committee to be held at the close of our Thursday evening Meeting on the 23rd inst. - for further action -

Federal Hill - John C. Thomas reports the attendance has continued about the same for the past two months - Meetings all continued as heretofore. He thinks a more frequent attendance by members of this Committee would be very helpful to the meetings.

Washington - Julia Valentine and Mary S. Thomas visited this meeting two weeks ago - There was a good attendance (about 35) though the weather was not favorable. The usual attendance is much smaller than this. John A. Brenshaw - also visited this Meeting on the 6th inst. Friends there seem to be much encouraged by such visits and a desire was expressed that

Lincoln - The Application of our friends there, for the re-establishment of Goose Creek Meeting, in the town of Lincoln, and to be called Lincoln Meeting has received the sanction of Baltimore Monthly Meeting and has been forwarded to the Quarterly Meeting for its approval. Dr. R. H. Thomas and Mary S. Thomas visited them on the 6th inst. - attended their usual afternoon meeting, and an appointed meeting at same place in the evening - also a 'parlor' meeting at the house of a member, all of which were occasions of much interest - Their usual attendance for a month past has been from 20 to 35.

Patuxent - No Report
