

- Ashton Information has been received from one of their members that the attendance and interest in their Meetings had been well maintained.
- Lincoln Mary S. Thomas reports, that by letters received most encouraging accounts are given, both as to, the attendance and interest of their meetings, and that they are making progress in the preparations for building their new Meeting House.
- Hopewell No Report except through letters from members. That while they have sustained a loss by the removal of two of their most active members, the others seem to be impressed with a sense of their increased responsibility.
- Palmyra Mary Moon and Ruth Hagler of New York Yearly Meeting, have visited this meeting within the past month.
- Deer Creek No report.
- Richmond No report.
- Black Creek This Meeting has appointed a Committee on Pastoral work, and several families have been visited. They express a sense of great need for earnest work and faithful workers within the limits of their meeting.
- Somerton No report.
- Cedar Creek No report.
- Bellfonte No report.
- Curwensville Report states that some family visiting has recently been done.
- Dunsmuir Creek No report.

A concern was expressed that Members of

the Yearly Meetings Pastoral Committee and of the Co-operating Committees in the several parts of the Yearly Meeting, be encouraged to engage in the work of visiting meetings within their respective Quarterly Meetings, to which they may feel drawn, ~~and~~ with the approval of their Monthly Meetings Committee; and our Corresponding Secretary was directed to let this concern of the Committee be made known to such members, with the information that the necessary expense attending such service will be met by this committee.

If any ~~and~~ Members of the Committee feel a concern to attend meetings beyond the limits of their Quarterly Meeting, they are encouraged to lay the same before this Committee, through our Corresponding Secretary.

After a few moments of devotion and prayer the Meeting adjourned.
