Secy.

At a regular meeting of the Executive Committee of the Balto Yearly Meeting & Par. Local Committee with Co operating Committee of Balto Mo Meeting held 2nd mo 14 1887 present the members -

The Chairman being absent John C. Nicholson was chosen Chairman for the evening

The Minutes of the last meeting were read & approved. The meetings were then taken up in the usual order -

Baltimore. A series of meetings was begun at Enlow St on the 6th inst and at this date are still going on. Caroline E. Salbot has been in attendance from meeting to meeting and her labors have been blessed. Dr J. C. Thomas stated that he thought it very important that there should be greater social recognition of those coming into our Society - The subject of the formation of the Committee of the Johns Hopkins University Students belonging to our meeting to encourage the attendance of other members of the University was discussed and Dr J. C. Thomas was requested to ask them to form such a Committee -

General Affairs. At three weeks series of meetings was held at Friends' oblation beginning on 16th of 1st mo - The meetings increased in size and interest from night to night and a large number were baptized and blessed by the power of the Lord - over fifty persons about half of whom were young people acknowledged to having received a definite blessing in these meetings and the attendance and life in the regular meetings for worship have
