Black Creek The following extract from the Interchange
in the report to this meeting was directed to be
inserted in the minutes -

We extract the following from a letter re-
ceived just after our last issue:

A series of meetings was held at Berea, Va., for
four weeks in which M. A. M. Allen took part when
not engaged in other work. She also held for
meetings for colored people and visited nine fam-
lies; attended meeting at Black Creek, and held one
special meeting there. She attended the Quarterly
Meeting in Perquimans Co., N. C., held meetings
both among Friends and the colored people there,
and had meetings going and returning. M. A. M.
Allen also held six white and three colored meetings
in the neighborhood of our friends John and Denson
Fretlow; visited one white and one colored school,

and took part in some other meetings. She has also
assisted in a series of meetings held in the Christian
Church at Franklin; held four colored meetings and
two children's meetings; visited two schools, one
white and one colored. She has been doing a good
work, and has received a hearty welcome. We be-
lieve the seed sown will bring forth much fruit. She
is expecting to attend the Monthly Meeting at
Somerton the latter part of this week, and from
there go to Up River, N. C., to hold a series of
meetings among Friends and work among the col-
ored people as way may open; is expecting to hold
meetings on the way going and returning.
