At a meeting of the Executive Committee of the Yearly Meetings Pastoral Committee and Cooperating Committee of Baltimore Monthly Meeting held 4th Mo. 11. 1887 present 23 members also our friends John P. Pennington of Indiana, Cornelia Stabler Jackson and Rufus P. King of North Carolina. The chairman being absent John Nicholson was called to the chair for the evening.

The Minutes of the last meeting were read and approved. The meetings were then considered in their regular order.

Baltimore It was stated that a children's meeting had been held on the 24th at which the number of children attending was small. The Evening meetings have been larger lately and about fifty were present last first day evening - It was suggested that it was very important that more social visiting be done among our members and the concern was urged on the members of the Committee before separating for the summer - These visits while in their native social were intended for the strengthening and help of our members especially those who might be sick or in trouble - The following volunteered to act as a Committee to have the subject in charge with the understanding that others as feeling to make such visits could first report to them viz. Dr. J. C. Thomas, D. R. H. Thomas, Julia Valentine, James Carey, Joseph P. Elliott and Margaret H. Elliott.

Adoral Hill John C. Thomas reported that the interest in the meetings as well as the size had been maintained since the series of meetings. Rufus King and John P. Pennington were present at the morning meeting on 10th inst and John P. Pennington again in the evening - He later stated that the prospects there were very encouraging - Rachael Brooks stated that she had attended the last mo. meeting there - The members of the Committee were urged to attend these meetings before the summer separation.
