

Hall as to how the title to same (then in John C. Thomas) had best be vested and have the title to same transfer properly made; and the Express satisfaction of the Board with the names submitted to it for Trustees to hold said property (see Minute No. 10th 1903), the Committee subsequently had a decision rendered by John C. Thomas and wife, by Mills E. Raiford Esq. and J. Raiford Robert J. Harris John C. Thomas and Richard J. White, substituting the name of Robert J. Harris for that of J. Danton Butler since deceased.

Since the Election of said dead the Committee have been advised by Virginia Counsel that there is some doubt as to the validity of a trust for such purposes unless the appointment of the Trustees is confirmed by the Court of the County where the property is located, and that in order to procure the confirmation of such trustees they should be formally appointed by the Meeting having authority to make such appointments.

The Committee would propose therefore that the Board recommend to the yearly Meeting the appointment of it of the named names as Trustees to hold the Council Akademy Building Hall in accordance with the provisions of the

trust in the deed to them from John C. Thomas as a benevolent gift.

The Committee would recommend the addition of Thomas P. Mackenzie to its number.

On behalf of the Committee
