

Association of our action This was done

Information of a movement to make the "Cade's System" compulsory in the Washington High School having been brought to the meeting, A. Morris, Esq., H. P. G. Eastling, Miles White Jr. and J. H. Clark were appointed to act in conjunction with the club in presenting our protest against such action in the manner which may seem to them best.

The Committee on Records having notified the Board that certain copies of the Yearly Meeting Minutes are ready for binding they are authorized to have the same bound and to draw on the Treasurer of the Yearly Meeting for the cost.

The Committee on Titles to Meeting House properties made the following report as to insurance on Meeting Houses, etc. The Committee was directed to urge the trustees of the properties, not now insured, to insure them, having the matter attended to promptly in their judgment; the meeting which occupies the property is not able to meet the whole expense. The Committee is authorized to draw on the Treasurer of the Yearly Meeting for the necessary amount.
