The committee on ~~Records~~ ^{Titles} made the following report.

To the Permanent Board of Baltimore Yearly Meeting:

The Committee on ~~Records~~ ^{Titles} wishes to report that the title for the Meeting House property at Curwensville Penna. has finally been transferred to Baltimore Yearly Meeting. This has been accomplished by deed of transfer given by the two trustees, Al McNaul and Harvey Cook, to the Yearly Meeting.

It should be noted that the property is now under lease to the School Board of the borough of Curwensville for a period of five years, which lease has been turned over to Baltimore Yearly Meeting and its transfer also noted on the face of the deed given by the trustees. The Committee has had the lease recorded, and acknowledged, and the only matter yet to be attended to is to arrange with the School Board to receive the property at the expiration of the lease.

It may be noted that the School Board is to keep the property in repair during the term of lease, and also that the furnace and one toilet installed for school purposes are not to be removed at the expiration of the lease.

For the Committee.

at the request of the
Chairman Thomas Mackenzie.

The appended letter from the Clerk of Baltimore Monthly Meeting relative to the Yearly Meeting Records in the vault at Homewood Meeting House, was read. Also a report by Lewis C. Moon of the desire of the State Librarian

of Virginia to copy, by the ¹⁷³photostatic process, the Friends Records from that state, was made.

John R. Barker, Clerk of Permanent Board
Baltimore Yearly Meeting.

Dear Friend:-
At Baltimore ^{Monthly} Meeting of Friends for Districts, held Second Month 25th, 1926, attention was called to the poor condition of the Meeting records in the vault at the house. It was pointed out that the original records therein used for reference much longer without risking their preservation. It was recommended that copies be made so that the originals be preserved from further injury but, since the records of the Yearly Meeting, it was felt that the expense of the same be borne by that body. The Clerk of the Monthly Meeting was instructed to refer the matter to the Permanent Board.

Cordially,

J. Hollowell Barker
Clerk.

After discussion the matter of allowing the State of Virginia to copy the Records was referred, with power to act, to the Committee on Records together with A. Morris Carey, and Thomas Mackenzie. The Board desires to ask Margaret T. Carey, also, to serve on this Committee.
