

400 of the two Yearly Meetings in 1931, was directed to be referred to the Executive Committee of our Yearly Meeting.

The Board took up in detail the insurance reports submitted by the clerks of the various Monthly Meetings. It was the sense of the Board that wherever possible insurance to the amount of 75% of the cost of replacement should be carried by the various monthly meetings, and the Clerk was instructed to write to Ashton and Black Creek Meetings advising that the Board considered the insurance on these houses to be inadequate. The Clerk was instructed in the preparation of the 1932 Insurance Report to secure the following information:

1. Approximate cost of replacement of buildings and furniture;
2. A report on insurance carried on meeting-house furniture;
3. And from Hopewell Meeting information regarding the insurance the Hickute Friends carry on the house used in common by the two branches of Friends.

The report on the Insurance carried by each Monthly Meeting, which is herewith attached, was read and approved.

This concluded the meeting.

Caleb Winslow, Clerk.
