REPORT OF COMMITTEE APPOINTED
BY PERMANENT BOARD OF BALTIMORE YEARLY MEETING IN
OCTOBER, 1936

The Committee has attended to the duties to
which it was appointed. We have corresponded with
William Wade Minshaw as to "comfortable access to
the vault and records for him and his assistants."

A plan is presented which will facilitate and
expedite historical searches of our records.

After consultation with Custodians in Phila-
delphia, Guilford College, and Park Avenue, we
recommend some changes in our charges for research
by the Custodian of the Vault, which more nearly
correspond to theirs.

A copy of Minshaw's encyclopedia was ordered
by the Yearly Meeting Treasurer and is now deposited
in our vault.
