

Where the latter have to be built
we will contribute towards
the cost.

In the meantime we are
looking up the Dept of
Education - are now in cor-
respondence with a valuable
friend - an experienced teacher
who possesses very qualifi-
cation.

I have written John Carter
to proceed with repairs &
to enter the 20 children
as they present. I have also
requested a list of school
apparatus required.

We give thee this information
that thou may use it in
thy travels. Please furnish
such relief as thou may
deem proper to suffering fam-
ilies in thy visits & thy right
check on me for such amt

as thou may require will
be duly paid.

He had truly a favored time
in New York & I wished
thou could have been there.
There were many inquiries
after thee.

I will draw by next
steamer as thou kindly
proposed.

With much love &
with kind remem-
berances to Dr Burbon &
family I am thy
