then add & please to know that
you are arranging for a release. Our proposition
is, that if you will purchase the bond of the
teacher & the School House, we will pay the balance
of the salary in kind or in part, as you may
need our help. We will purchase the books for
the present at least.

If you like in those who are not working, they will have to pay over and give to members of the children of members & those who help out with ad. The milk the school contained will reach, or longer, for two years.

The cannot send a teacher outside the scope of
education you to reside among you. In the
meantime except your teacher by the name.
He keeps the school with about as others.
Please explain this information throughout
the district meeting - we will do the same
to see the meetings. The Board
