Dear friend

Our association
will sustain the three schools
in Centerville I mention as stated
in thy letter.

We have appointed John Scott
our Supt for the present. He
has been Pres of the Board
of Education in Baltimore Co
for many years & understands
his business.

He may not get to see you
for a month yet, but he
will do so & arrange your
schools. In the meantime
let them go on & we will
pay the teachers thro' J Scott.
Any children not kind, who can't
should do so. Thy friend A. T. King

Dear friend

Our association
has appointed John Scott, one
of its members, & a valued Min-
ister of our Meeting, to act
temporarily as Superintendent
of Education in W. Co, until
one is permanently appointed.

He has been a member of the
Board of Education of Baltimore
County for many years, its Pres-
ident for four years. It was
under his personal supervision
that 96 schools were established
in that County, & we feel sure
that ~~under~~ with his energy &
experience the work will
be well begun.

Applications for Supt & teachers
will continue to be received until
15th of 1st Mo. Thy friend
J. T. King
