Dear Friend

Our answer to
thy letter & would state in
reply that we understand
that Indiana A.S. Martin
Supt. had undertaken
care of East Tennessee
that they had a Com. for that
purpose.

If so it will be a relief to
us our funds will barely
carry out our concern in
N.C., & it would be impos-
sible for our Supt. to cross
the Mountains as often as
would be necessary to look
after the schools - they can
be best reached from Ind.

The children there however
must not suffer & if you
