

regular monthly allowance with each cohort,
 seeing regular reports - the form of which
 you can prepare & send to us & we will
 forward them to you can get it done in French.
 As to the cohort at this time we are discussing
 help them to establish it - we would rather
 adopt that plan which will raise the most
 money towards its support & give it efficiency - be-
 cause not to introduce them who are not be-
 lievers or numbers unless they pay tuition & books
 & etc. as that cohort cohort should be kept ap-
 part in its cost & not use its tuition & receipts for
 books, boards and other cohort.

There are questions that Father's & Henry Co should
 be looked upon, there is much money there
 & no cohorts - you will have to keep an eye
 on some families who have suffered by the
 war, without however visiting applications.
 Conclusions will require much care. I have
 the letter's with about that cohort & do
 not clearly understand him - whether they
 want 3 cohorts in his parish or visiting
 or in the quarter - he speaks of a boarding
 school also to maintain all the children.
 He thinks that out of the question, ~~there~~ as
 they could not spare all their children
 & the cost would be great. The few sons
 of these kind we have a good many in a
