

By the monthly acco^{ts} made with each agent,
keeping regular reports - the form of which
you can propose & send to us & we will
send them - you can get it done in French.
As to the agent at San Diego was your objection
help them to retake it - we would rather
adopt that plan which will raise the most
money towards its support & give it efficiency - be
cautious not to visit them there also as not be
factor or even they unless they pay tuition & books
At this we must not forget should be kept ap-
part in its cost, & not use ^{its} tuition & receipts for
books, boards and other school.

There are questions that Father's & Henry Co should be looked upon, there is much from these two schools. You will have to keep an eye on some families who have appeared by the way, without however visiting applications. Connections will require such care. I am the least useful about this sort of work. I do not clearly understand him, whether they want I Roberts in his position or meeting or in the family. In short, of a bonding desire also to see him all the children. The Mind that out of the question, ~~then~~ as they exist not upon all their children as the case would be great. The fear some of them Mind' we have a good piece or a
