Dear Friend

Upon the
Receipt of thy letter, our Ad^r
wrote John Scott to locate
Rebecca Marble with you -
we also wrote her to that effect.
We have left the salaries
to our Supt. - he is moving
about & can best judge of
the ability of parents to aid,
& of the qualification of the
teacher & the work she is
to do. She is yet in R. I.
We hope your "Lep. River" school
will be under way in time
to go into our Report.
Either J. Scott or I. Moore will
be in your neighborhood before
the winter closes. There is
much work to keep them well
of you.
