

He much like the idea to get some of the teachers
 together in committee.

He hopes a year hence to start some institute in
 improved farming - also in housekeeping &
 cooking. They have taken hold of these things
 in the most better than 90% of friends - they
 should do so at home.

Ellen Wheeler keeps for Rebecca Wright
 her concern for "Wagon River" school near
 Peary brook. We have written her.

Ellen wants Thaddeus - hopes you can manage
 to do it before than among the Quakers
 here - she wants some children also. They
 are in the 14 bundle.

So Confield sends us the enclosed list -
 who many need help.

The card - W. J. Cox of Caledonia 3000 - he has
 used up & must rest & has not - he asks
 us a loan for 1000 more - What does John
 think - we mean after he has him. See
 him & hear of it when convenient to go
 there.

We are getting on C. & Lehigh nearly under way
 we have the city & 38 in the Convention - with reports
 for 19 more - nearly all half donating - as far
 as others concerned. The same then Circular only for
 that & then to see as you are interested in our work
 this is a plan to them in and to them, but please consider
 it finally - with love to you both of J. & M. K.
