Dear friend.

Thy letter to Mr
White has been handed us.
In view of the many refugees
thus helped during the four
years of war & the losses there
sustained thereby our Ass^{ts}
has concluded to pay thee
fifty dolls - for which amt
we now enclose a check to
thy order - which any one
at Suffolk or Norfolk will
cash - Please say nothing
to any one about it.

The trust as thou says that
the trials of this life will
prove a blessing to us & aid
us towards a heavenly home
where all is peace & joy.

Please see that that the
cash be made.
