Dear friends,
Nothing
special to say. Hope
them will investigate the
condition of our situation.
Friends constantly come
have money - others have
none. We saw published
that one by the name of
Needham was robbed
of \$1200 & that A. J. Parker
had been nearly killed.
is that so.

Dr. Minister & Dr. White both
saying very little.

All best wishes.

Leave for Boston to be
seen a week.

Rebecca Marble.

Dear friend.

I have a letter
from John A. Holmes saying
he will meet them in Norfolk
any day. They appear to
be going to him to Belvidere
Co. Perquimans Co. N.C.
I will give you a letter that
will be through train at 8 A.M.
The train leaves Balto at 6 P.M.
I will then go to the depot at
once to the omnibus, for the Norfolk
R.R. Co. line, giving my baggage
check to the baggage master.
I shall be in Boston for a
week & will be able to see them
but there will be no trouble.
I shall give a pass from Balto to
Boston. The ticket therefore need
not be from N.Y. to Balto.
Write me when they are about leaving
so as to insure the time & will try to
meet them. And we must be there of course.
