 Dear Friend

Our letter would trouble
 thee to call upon J. K. Bonitman. He
 is to have the annexed order filled. The
 design may be "The School App'l".
 There has been correspondence between him
 & Mr. Bonitman of kindred Boarding School
 & relation to these matters. He wants
 them carefully ^{packed} shipped by water to Rich-
 mond. Mr. King, writing him to forward
 them to Dr. Benbow.

For Mr. Charles I presume will have to
 be ordered from Boston. At present that
 the school has no apparatus whatever.
 They sent an order for nearly double this
 quantity & omitted the Toys & other things.
 I will send thee a check for the Bill.
 He may allow something for a
 charity gift to a certain Southern school.
 Excuse my troubling thee
 Wm. L. King
