Mr. H. Hare

Dear friend

After talking over your
condition with our friend J. Scott,
our Ass^{ts} would propose to you on
account of the very high price of
every thing to defer building your
new meeting House until next
spring. In the mean time for
one year only, you could hold your
monthly meeting every month
at Black Creek, & your meetings
for worship & preparative meetings
at the school House, by fixing it
up a little.

What would now cost \$1500 would
then cost not over \$1200 perhaps more.
We could have the windows, doors &
make here & send you. We will
aid you liberally. Please let us hear
from you soon.

My friend F. J. King
