I have just received
 your letter of the 23rd
 and am glad to hear
 that you are well and
 hope you will continue
 to be so.

Yours truly
 Wm. Lloyd Garrison

express them in this way.
 It is not our injury to me.
 I do not have a larger
 number of people writing
 from the same party of the
 North by saying they are
 not. They are not.
 I do understand that
 my name was used with
 the RR Co to obtain low
 fare for both companies.
 I would thank them to
 see A Coffin, if he is in the
 town, & enquire the facts,
 as my friends in N. York
 have written, reply that they
 are well treated & are not
 emigrating except an occa-
 sional family & that none
 are driven out by persecution
 as these persons stated in
 Washington. My friend

them may not know
 me - E. Bayles or W. Hodson know me

 off as friends. A Coffin not
 being with them he having
