Dear friend

I sent on check
for \$125 to Maria for Mary, but
as she had left for home it was
sent back to me. I have today
sent it to J. A. Merline, the agent of
the school & will get his receipt.
If he will inform me what
has been paid in travelling expenses for
my daughter to Marlboro I will
send the amount to her as we
agreed to do.

J. A. Merline says in his letter that
my daughter is doing well -

Our assn has
considered thy case & if thou
will send us A. T. Perkins
note for the fees at one
year for the \$128 he owes
there we will cash it
for thee - Thou could
then buy what thou
