

not be enough to meet the
Teacher Board your members
would have to make up the
deficiency.

This is the rule with us in N.C.
If however your fund in Phila
enables you to support your School
& you do not need our aid,
please say so. We only write
under a desire to serve you in
case you think best.

We would expect to appoint the
Teacher if we pay him -
Please write me fully your
views without reserve & tell
me what your plans &
resources are for the
future - Yr friend

Dear friends Benjⁿ

Dulghem spoke to me about
the condition of your School.
We are establishing Schools
among friends in N.C. &
have thought perhaps you
would like us to appoint a
Teacher & pay him - except
his Board. If the School
was thus far put under
our care we would engage
to pay his salary for two
years & also grant you some
of the Books free.

With the understanding that
the children of friends & those
who profess with us were
schooled free, & others paid,
if what others paid should
